

Dearest lacrosse friends,

We are very sorry to announce, but with regard to the spread of COVID-19 we have decided to cancel this year's tournament. Our heart is bleeding since this is the first year in our 23 years's history we have to cancel, however we - for sure all agree - that the health is THE PRIORITY at this moment! We strongly hope, that the situation at the end of the June will be a way better, however for the safety of all of us and our surroundings, will be better if for now we all rather stay home and will simply postpone all the lacrosse fun for the safer times.

With that being said, we already have some ideas in our minds for - maybe some smaller - tournament in the second part of 2020, however we'll see how the situation develops. For now let's hope in the best and in case there will be chance to have a little of lacrosse fun we'll for sure let you all know!

Last but not least let us wish to you, your families and all your friends the strongest health, strong nerves and omnipresent good mood!

Stay positive and see y'all soon - stronger than ever before! :)

Your organising team - Barbara, Dominika, Eva & Petr
